About three dozen cases of smallpox are reported out in the and nobody has suffered. One family of six persons had the disease, all remained inside until they were well and no one of them was sick enough that a doctor was called. That's not the brand 80 acre farm in Ralls county of smallpox our forefathers used to have to combat.

King's Daughters at Benton.

The Benton City King's Daugh ters are certainly wonderful women. They meet the 2nd Tuesday of each month and work all day "for the good of the cause." There are only a baker's dozen in all, yet they pay their voluntary assessment to the Old Ladies Home at Mexico of \$100.00 and then some.

But what less could one expect Lee M. Sejour, Fred B. Kent of a group of such women inspired by that bundle of energy and enthusiasm, Mrs. James Dowell.

The regular day for the January meeting of the circle fell one day short of coming on its president's birthday, so she requested the members to meet with her the 14th and celebrate two events.

These Benton City King's Daughters invite their friends and neighbors to their all-day meetsion the invitations were extend Geo. Fritche, Isabel Fritche, Admr. ed to Mexico. Mrs. Chas. Glendy Sarah W. Charles, Iva L. Charles, and Mrs. Charlie Morris coming the day before to make sure of be ing on time.

A special invitation was extended to Prof. French Strother who is visiting his daughter, Mrs Royal A. Jesse, S. P. Emmons, H. P. Warden, as his 89th birthday came on the 14th also. He accepted the invitation, approciating it all the more from his being the only man so honored.

As further expression of his appreciation and enjoyment of the occasion he asked to become an honorary member of the circle and was unanmiously accepted.

A most elaborate dinner was served, including all the good Lloyd Gilpin, T. R. Bruce, Grdn. things from turkey to ice cream.
